Divisions – Regular, Selected, Veterans

Selected Classes

Any dog eligible to participate in a CKC agility trial may enter the Selected Class, with the exception of dogs who have run in the Veteran class. In the Selected Classes, dogs jump one height lower than their regular jump height and the Standard Course Time is increased by 10%. In the new regulations (effective January 1 2017), dogs may be entered in the Selected division instead of the Regular division in any trial. For complete details, please see section 8.2. Selected Division in the 2017-01 Agility Rules & Regulations Handbook.

Veteran Classes

Dogs 7 years or older may be entered into the Veterans division at one OR two heights lower than their Regular jump height and the Standard Course Time is increased by 20%. Dogs entered in Veterans may NOT move back into Regular or Selected. The dog will retain titles and/or qualifying scores accumulated towards titles.

JUMP HEIGHTS (one height lower than Regular for Selected, one or two heights lower than Regular for Veterans)

4 inches (Selected and Veterans only)	16 inches for dogs over 14" up to and including 18"
8 inches for dogs 10" and under	20 inches for dogs over 18" up to and including 22"
12 inches for dogs over 10" up to and including 14"	24 inches for dogs over 22"

The height of tire will be 4" lower than the jump height for other jumps, except for the 4" jump height. For example, if a dog jumps 20", the tire jump will be 16".

Owners are responsible for entering the correct height division. Dogs that run in a height division lower than their correct division will be eliminated. Judges may require any dog to be measured.

Check the CKC Agility Rule Book (2017 edition) for all the changes and updates.

An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. The fee will match the ERN fee.
