Agility Workshops – June 1, 2 & 3/2018 Featuring Teri O'Neill

Course Description		
Friday, June 1/2018		
Time	9:00 am – 12:30 pm	Are you ready to Rock your courses at the Regionals and Nationals? With her keen eye for detail and insight into what will work best for each handler/dog combination, Teri will show you how to find the optimal line and execute the best plan for your team. She will help you understand how to tighten your turns, maintain a strong connection, have smooth contacts and give clear handling cues.
Level	Masters Handling	
Time	1:30 – 5:00 pm	Regionals and Nationals are coming! Are you gearing up for the Regionals? Going to the Regionals with the hope of qualifying for the Nationals? Teri is able to quickly evaluate your team and help you work out the best strategies to improve your handling skills, footwork and connection with your dog.
Level	Advanced Handling	
Saturday, June 2/2018		
Time	9:00 am – 12:30 pm	Skills and Drills for Small Spaces - Practice makes Perfect! Wouldn't it be wonderful to work on agility skills when you can't get out to the Agility field? It's not easy to put together a training plan. Teri will teach you short drills, that can be done with limited equipment (two or three jumps and maybe a tunnel). You can improve your skills and have fun with your dog at home.
Level	All Levels	
Time	1:30 – 5:00 pm	Pre-Starters/Starters Handling - Find the Line! Teri will not only teach you how to see the best line for you and your dog but will help you explore handling alternatives and choose the one(s) most appropriate for your team. As you run cleaner, smoother lines you will be more confident, resulting in improved accuracy, improved speed and a better connection with your dog.
Level	Pre-Starters/Starters Handling	
Sunday, June 3/2018		
Time	8:30 am – 12:00 pm	Masters Handling - Up your Game! With a growing number of Masters courses including International challenges, it's time to refine your handling skills and improve communication with your dog. This session will focus on the strategies and skills needed to turn your team into agility pros! Learn to put together all the pieces (footwork, clean lines and crisp cues) to get tighter turns and improved speed.
Level	Masters	
Time	12:30 – 4:00 pm	Improve Your Distance Skills - How far can you Go? Refine your distance skills so you can be in the right place at the right time. Teri will teach you how to improve obstacle independence, develop skills to work further away from your dog and give your dog the confidence to work away from you.
Level	Advanced/Masters
